BRAINY OPENING EDITORIAL

مديرة مركز **St. George Mini Club**
الأستاذة نتاليا الهبر

في كنيستنا، لطالما كان أطفالنا في صلب اهتمامنا، لأننا نؤمن أنّ بناء الطفل لا يقتصر على الجانب الديني أو ما يتعلّمه في المدرسة، بل يشمل أيضًا شخصيته، وثقته بنفسه، وقدراته الاجتماعية والفكرية، إلى جانب الترفيه والمتعة. ومن هذا الإيمان، أنشأنا **St. George Mini "Club"** ليكون مساحة تجمع أطفالنا وتقدّم لهم نشاطات وتجارب مختلفة ومفيدة. وكان من ضمن هذه التجارب برنامج **Brains Kids – Mental Math**، الذي انضمنا إليه منذ أربع سنوات.

وخلال هذه السنوات، كانت التجربة مميّزة بكل معنى الكلمة. رأينا أطفالنا يتقدّمون أمام أعيننا؛ أصبحوا أكثر تركيزًا، وأسرع وأدق في الحساب والكتابة، والأهم أنّهم تعلّموا التفكير بطريقة مختلفة والبحث عن حلول جديدة. كما انعكس هذا التطوّر على أدائهم في المدرسة، فلاحظنا تحسّنًا واضحًا في نتائجهم وثقة أكبر بقدراتهم.

وكان لفريق **Brains Kids** دور أساسي في هذه المسيرة، من خلال تعاونهم الدائم معنا واستعدادهم المستمر للمساعدة والدعم. فمنذ اليوم الأول كان التعاون معهم سهلاً ومريحاً، وكانوا دائماً إلى جانبنا.

وبعد أربع سنوات، نستطيع القول إنّ **Mental Math** لم تكن مجرد مادة إضافية، بل تجربة تركت أثراً حقيقياً في أطفالنا. ونتمنى أن يصل هذا العلم إلى أكبر عدد ممكن من الأطفال، وأن يأتي اليوم الذي يصبح فيه جزءاً أساسياً من المناهج التي تُدرّس في مدارسنا، لما له من أثر جميل في طريقة تفكير أطفالنا وقدرتهم على التعلّم والتمييز.
